

Greeter schedule for Contemporary Service for February 2010 through January 2011

Greeters are located at the North Glass doors coming into the Narthex and the South Glass door area coming from the Education Wing into the Narthex. Please check with the Ushers to see if they need help with the bulletins. Ideally we like to have 2 ushers and 2 greeters per service. However if we come up short of those numbers please help where needed, whether you are a greeter or usher. Also, please wear your name tag.
