

Ushers schedule for Contemporary Service for February 2010 through January 2011

Ushers are usually located at the center door going into the sanctuary handing out bulletins and assisting people with seating if needed. Also ushers please verify the attendance pads have been placed on the pews prior to service starting. (Usually the set-up deacon will do this, but just make sure they are already out and if they aren't please do so).

Record attendance in the service and Education wing on the special form. (It's on a clipboard usually on the cabinet in the Narthex. Write the count on the attendance sheet and also on the poster behind the door in the copier room. Leave the sheet in Leola's (administrative secretary) box. It's easiest to count the people in the sanctuary from the balcony.
